**SUBJECT: ALCOHOL, TOBACCO, DRUGS, AND OTHER SUBSTANCES (STUDENTS)**

The Board of Education recognizes that the misuse of drugs, alcohol and/or tobacco is a serious problem with legal, physical, emotional and social implications for the entire community. Therefore, the consumption, sharing and/or selling, use and/or possession of alcoholic beverages, tobacco products, illegal drugs, counterfeit and designer drugs, or paraphernalia for the use of such drugs is prohibited at any school-sponsored function, on school grounds and on school buses at all times. The inappropriate use of prescription and over-the-counter drugs shall also be disallowed.

For the purpose of this policy, all persons includes students, staff, and visitors. All persons shall be banned from entering school grounds or school-sponsored events when exhibiting behavioral, personal or physical characteristics indicative of having used or consumed alcohol or other substances. A school-sponsored function shall mean a school-sponsored or school-authorized extracurricular event or activity regardless of where such event or activity takes place, including any event or activity that may take place in another state.

In accordance with Penal Law Section 220.00 for purposes of controlled substances offenses:

- a) "School grounds" means (a) in or on or within any building, structure, athletic playing field, playground or land contained within the real property boundary line of the District's schools, or (b) any area accessible to the public located within one thousand (1,000) feet of the real property boundary line comprising any such school or any parked automobile or other parked vehicle located within one thousand (1,000) feet of the real property boundary line comprising any District school. An "area accessible to the public" shall mean sidewalks, streets, parking lots, parks, playgrounds, stores and restaurants.
- b) "School bus" means every motor vehicle owned by the District and operated for the transportation of pupils, teachers and other persons acting in a supervisory capacity, to or from school or school activities or privately owned and operated for compensation for the transportation of pupils, children of pupils, teachers and other persons acting in a supervisory capacity to or from school or school activities.

Through the collaborative efforts of staff, students, parents/guardians and the community as a whole, a comprehensive program shall be developed addressing alcohol, tobacco, drugs, and other substances to include the following elements:

**Primary Prevention**

Preventing or delaying alcohol, tobacco, drugs, and other substance use/abuse by students shall be the major focus of a comprehensive PreK through 12 program in which proactive measures of prevention and early intervention are emphasized. This program shall include:

**SUBJECT: ALCOHOL, TOBACCO, DRUGS, AND OTHER SUBSTANCES (STUDENTS)  
(Cont'd.)**

- a) A sequential K through 12 curriculum based on recognized principles of effectiveness that is developed and incorporated into the total educational process. This curriculum shall be concerned with education and prevention in all areas of alcohol, tobacco, drugs, and other substances use/abuse;
- b) Training school personnel and parents/guardians to reinforce the components of the policy through in-service and community education programs with up-to-date factual information and materials.
- c) An effort to provide positive alternatives to alcohol, tobacco, drugs, and other substances use/abuse through the promotion of drug/tobacco/alcohol-free special events, service projects and extracurricular activities that will develop and support a positive peer influence.

**Intervention**

School-based intervention services shall be made available to all students, grades K through 12, and provided by prevention professionals who are appropriately trained in this area. The purpose of intervention is to eliminate any existing use/abuse of alcohol, tobacco, drugs, and other substances and to identify students considered to be at risk for use/abuse. Intervention programming shall include, but is not limited to, the following:

- a) Counseling of students in groups and as individuals on alcohol, tobacco, drugs, and other substance use/abuse. Counselors shall be appropriately trained and skilled school staff assigned for this purpose.
- b) Referring students to community or other outside agencies when their use/abuse of alcohol, tobacco, drugs, and other substances requires additional counseling or treatment. Referral is a key link in school and community efforts and the process is basic to the dissemination of information regarding available counseling and health services;
- c) Providing a supportive school environment designed to continue the recovery process for students returning from treatment. A re-entry program may include continuing student and/or family counseling and emphasizing positive alternatives to alcohol, tobacco, drugs, and other substance use/abuse.
- d) Developing a parent network to serve as a support group and provide a vehicle of communication for parent education;
- e) Ensuring confidentiality as required by state and federal law.

(STUDENTS) (Cont'd.)****Disciplinary Measures**

Disciplinary measures for students consuming, sharing and/or selling, using and/or possessing alcoholic beverages, tobacco products, illegal drugs, counterfeit and designer drugs, or paraphernalia for the use of such drugs shall be outlined in the District's Code of Conduct.

**Staff Development**

There shall be ongoing training of District staff about the components of an effective alcohol, tobacco and other substances program. Training shall include, but not be limited to, District policies and regulations and the staff's role in implementing such policies and regulations. Teachers shall be trained to implement the District's PreK through 12 alcohol, tobacco, drugs and other substance prevention curricula; intervention staff shall be suitably trained to carry out appropriate services.

**Implementation, Dissemination and Monitoring**

It shall be the responsibility of the Superintendent to implement the alcohol, tobacco, drugs, and other substances Board policy by collaboration with school personnel, students, parents/guardians and the community at large.

Additionally, copies of Board policy shall be disseminated to District staff, parents/guardians and community members. The Superintendent/designee shall periodically review the tobacco, drugs and alcohol abuse prevention program to determine its effectiveness and support appropriate modifications, as needed.

The input of students, staff, parents and others from the community will be encouraged.
